

BIM

for Construction Leaders

June 7, 2013

JOIN US AT THE

Sidney Pier Hotel

9805 Sidney Place, Sidney BC

Reserve Now

Building Information Modeling is changing the construction business. This seminar is for Developers, Architects, Engineers, General Contractors and Subcontractors who want to understand the potential and impact of this technology, and the opportunities it presents in a changing construction industry.

12:30 - 4 pm | Light lunch will be served

Guest speakers include:

- Greg Baynton · Vancouver Island Construction Association | *Construction Trends*
- Richard Brown · VIHA | *The Owner's Perspective*
- Scott Chatterton · CEI Architecture | *Business Value of BIM*
- Tom Morin · Morinwood Manufacturing, Inc. | *Subcontractor Experience*
- Steve Dean · Cansel/Autodesk | *BIM in 5 Years*

Free. Seating is limited. Reserve at:
